Hitchin' A Ride

I have been banging my little brunette bride for well over 15 years. You would think that in that length of time we'd have tried everything in the broad range of human sexuality at least once.

An incurable junkyard junkie, Rosie's latest find was a sex flick that boasted 101 Ways to Sexual Satisfaction. Ecstatic over her find, Rosie dug around in my pockets and came up with enough loose change to send our boys off for an afternoon of video games. I certainly had no objections. And having Rosie dig around in my jeans while I was still wearing them was a real cock-tease. By the time the door slammed behind our excited youngsters, I was ready to throw their mother down on the kitchen floor and fuck the living daylights out of her.

Rosie had other ideas, however. She knelt before me and unzipped my jeans, releasing the raging cock I had ready and waiting for her. She fondled it lovingly, teased it a moment with her sweet tongue, then, cock in one hand, dirty little book in the other, Rosie led me down the hall to our big brass bed.

An hour later my cock was still hard, my back was breaking, and my balls were ready to burst. Rosie's book lay open on the bed beside us, and I figured we must have covered at least half of it in that hour. I groaned in agony as Rosie casually flipped to another page. Having cum twice in the last hour, she showed no signs of slackening the pace.

For fuck's sake, Rosie, I feel like a contortionist in a fucking freak show. Have a little mercy, huh?" I demanded grumpily.

Rosie gave me a slow, wicked smile. "Just a couple more positions, honey, please?" She leaned over to lick her own juices from the head of my bulging prick Rosie knows better than to do much of that, she's too darn good at it.

"Suck it for me, baby," I moaned. "My dick has been

hard so long, my balls are beginning to hurt."

"Okay," she grinned, "but just a little."

Now my Rosie is a cock-sucker from way back. Between those skillful jaws, my prick goes from flaccid little wimp to a bursting, spurting eight inch fountain in two minutes flat. Like I said, Rosie's good at it, and she enjoys her work so much.

What I didn't want the fuck-happy little broad to know was that "just a little" of that sweet sucking mouth was all I wanted. She'd been torturing my cock for over an hour, and I intended to empty the gigantic load I'd built up into her tight, clutching throat. Rosie's cheeks dimpled prettily as she slurped happily away, one dainty hand

moving between my legs to gently caress my heavy balls. A couple of good long pulls and I'd be giving that lady one whopping dose of my own special medicine: Dr. Malone's white root juice.

My body was tensing for the final plunge, my hands buried in Rosie's thick, dark mane, when the telephone rang with bone-jarring, nerve shattering intensity. "Rosie, don't..." But Rosie was already half-way across the bed, scrambling to reach the blasted thing. She sprawled across the bed on her stomach speaking with quiet reserve as she always did; showing no sign those delectable heart-shaped lips had just moments before held a hunk of male meat between them.

Her cute, firm little ass winked invitingly up at me. Struck by a sudden thought, I winked slyly back at it. There's more than one way to skin a cat or pop a load. Before Rosie realized what I was up to, I crawled between those luscious thighs and parted her ass cheeks, dipping my tongue into her warm crevice to lick and tickle her tiny, puckered anus. "Oh, Marty's doing just fine," I heard her say into the phone. "Right now he's munching on my ass." "Rosie!" I

exclaimed. She twisted her head around to grin mischievously at me. "It's Gloria," she mouthed, before going right on with her conversation.

My balls tightened automatically as a picture of Rosie's beautiful blonde girlfriend swam before my eyes. Gloria with the big tits and the nice, round ass. Just thinking about the way Rosie's delicate fingers had parted those chubby cheeks and eased the way for my stiff pole to enter her friend's welcoming bung hole made my mind swim with ecstatic memory and my cock stretch with intense yearning. I let my saliva drool down onto Rosie's own hole. I positioned my dick at the mouth of Rosie's deliciously tight bottom, and pushed into clenched resistance. I pushed harder, trying desperately to shove my thick slab of meat into Rosie's tiny brown package.

"Come on, Rosie," I whispered into her ear, "open up nice and wide for Papa like a good little girl."

Rosie giggled. The phone crackled with Gloria's quick burst of laughter. She'd heard every word I'd said, and I didn't like that so much. Oh, what the hell, I decided, the three of us had sucked and fucked many a pleasurable hour away in this big old bed, why should I turn prude all of a sudden? Gloria, as a result of our pleasure, had given birth to a bouncing baby girl-complete with a blazing mane of strawberry curls, compliments of yours truly. Rosie and I got to live our ultimate fantasies by sharing our bed with the horny blonde, and a nice fat check for services rendered from Robert, Gloria's wealthy, elderly husband who was none the wiser to our sexual antics. He thought I'd simply donated my sperm into a sterile container instead of directly into his wife.

"What's he doing now?" Gloria burred via long distance.

"He's trying to stuff that big old cock of his into my little asshole," Rosie giggled, "but I won't let him." I lifted her reluctant ass and pulled her close.

"Why don't you let him, Rosie?" Gloria asked breathlessly. "Robert's out with a client and the baby's asleep. You can tell me about it and I'll finger my clit. You can play with your pussy while Marty plugs your ass, and we can all three come together. It'll be almost as good as old times!"

With my ear pressed close to the phone, I heard the heavy sigh as Gloria turned words into action.

"All right, you bung-fucker," Rosie grinned, "go to it, it's all yours." She reached between us to smear my cock with her pussy juice, and then pushed her ass against my prick.

In my urgency, I wrapped my arms around Rosie's middle and slammed my thick rod into her warm canal.

"Ooh, he's fucking me good now, Gloria. He's dragging that gigantic cock almost all the way out of my ass, then jamming it all the way back in. I'm taking it all now, Glory, baby, I can feel his balls slapping against my backside. You finger that sweet cunt of yours good, honey, because I sure would like to be eating it. I think he's going to cum now, he's really humping me hard. Yep, he's shooting his balls off right this minute. I can feel that big dick just bucking around in my little ass. Oh, Glory, he's really filling my hole up with cum, I can feel it dribbling down my legs. Ooh, ooh, ooh!" Rosie began pumping furiously at her wet, convulsing clit,

while I ejected load after load of my milky cum into her stretched, swollen asshole.

"Glory, are you coming now, baby?" Rosie breathed into the phone. "Oh, I'm so glad, honey, because I'm coming so hard right now I think I might pass out. Stay with me, Marty, don't you pull out now!" I knew Rosie wasn't exaggerating the strength of her orgasm because I could feel the spasms of her cunt all the way in her ass. The tremors lasted for a very long time.

Rosie slowly went slack in my arms, and I eased my dick out of her abused hole. "Oh, Gloria, it was wonderful. I wish you could have been here to take part of the load Marty shot in me!" Rosie turned to give me a kiss that scorched my lips and parched my throat.

I stretched out beside my lovely wife, only half listening to her excited chatter, and watch my milky white cum leak out onto the pink, shiny flesh of Rosie's ass. I felt my cock begin to stir and lengthen once again. "Uh, Rosie. I think I'd

better grab a quick shower."

She barely paused long enough in the conversation to give me a nod and a sly wink. The warm, tempting spray of the shower did little to alleviate the fresh ache in my balls, and as I took my hard-on in my hand, I glanced around the curtain, half-expecting Rose to catch me in the act.

I could still hear the soft monotone of her voice from the bedroom, so I clenched my fingers more firmly around my thick prick and beat it for all it was worth. Just remembering that thick, rich flow of cock juice oozing slowly from my wife's pretty little asshole, so recently vacated by the stiff ramrod in my hand, brought me rapidly to yet another mind blowing orgasm, the thick spurts of jism exploding from between my fingers to splash against the pink tile of the shower stall.

Rosie stretched luxuriously and stifled a yawn as I sank down beside her. Pulling me to her, she nuzzled my neck and tangled her fingers in the thick matting of burnished copper hair on my chest. We lay for a while, snuggling close, basking in the warm afterglow of our love. I thought Rosie had dozed off until she suddenly sat bolt upright and gave

me a speculative glance.

"You don't have anything planned for this weekend, do you Marty?"

"I don't know of anything," I answered, narrowing my eyes suspiciously, wondering if Rosie was going to try to trap me into one of her day-long junk sale journeys. One hour of prodding around somebody else's crowded garage makes me think longingly of the hammock in my own backyard, and a cool brew or two. I sighed resignedly. "What did you have in mind, honey?"

"You don't have to look like such a martyr, you know. Gloria has graciously offered us the use of her beach house for the weekend, that's all."

"But, Rosie, that's way up the coast. It'll take us nearly four hours of hard driving just to get there!"

"Never mind the drive," she smiled, leaning down to nip at one of my nipples with her sharp little teeth, "the trip will

be well worthwhile. You can bank on that buster!"

Trying to buck Rosie when her mind's made up is like knocking your head against a brick wall. "Well, okay," I said. "Maybe I can get in a little fishing."

She smiled knowingly, her eyes sparkling with secret knowledge, "Maybe you can at that."

Friday afternoon found us tooling down the highway in my beat-up old van, the boys happily deposited with Grandma and looking forward to a long-awaited trip to the amusement park. My fishing gear was stowed hopefully in the back, but the way Rosie looked in the skimpy jumpsuit she wore made me forgetful of my plans to get in a little moonlight casting. When she took my right hand off the steering wheel and slipped it beneath the leg of her shorts, the idea of baiting any hook but my own turgid cock went clear out of my mind. From the warm wetness of the pussy beneath my prying fingers, I guessed correctly that there would be plenty of fresh cunny to bait it with too.

Halfway into the trip Rosie suggested we change drivers. She had cold soda in the cooler behind the seat, and I popped a can for each of us. Rosie sipped hers judiciously,

but I was on my third can when we spotted the girl beside the road. Even the quick glance I caught of her as we sped past was enough for me to see she was something special. The tight jeans she wore hugged a shapely ass and long, slender legs.

Straight, blonde hair hung almost to her waist and shone like gold in the late afternoon sunlight. Rosie hit the brakes so hard she threw me against the front dash and slopped beer all over my pants.

"What are you doing?" I cried. "You know I've told you a hundred times not to pick up hitchhikers!"

"Oh, come on Marty. A young girl, alone on this stretch of road? She's probably scared out of her wits."

The next instant that young chick was crawling into the rear of the van, thanking us profusely, her words just a bit garbled. Her name was Daisy, she said, and her boyfriend had left her stranded beside the road. Daisy may or may not have been a talker by nature, but whatever she was high on must have helped her on a lot.

Rosie made polite little noises as the girl spilled out her tale of woe: I downed another of Milwaukee's finest, leaned back against the seat, and closed my eyes. Just as suddenly as the chatter began, it ended, and I figured the girl must have talked herself to sleep. Rosie's insistent nudge brought me out of my light doze. "Marty, look!" she hissed.

I sat up and stared groggily at the seat behind us. There was our curvaceous, uninvited guest, sprawled across the seat, her jeans halfway to her knees, her hand dipping vigorously in and out of her slick pussy! I tore my eyes away from the delightful display of pink, glistening pussy long enough to notice that her loose sweatshirt was pushed high on her chest, exposing one round, pink-nippled tit. The other one was almost completely covered by her left hand as she kneaded and tugged, and pinched at the straining bud! I swallowed the lump that rose in my throat as I watched the luscious blonde finger-fuck herself into a frenzy. The lump that rose in my pants was quite another matter.

"Just listen to her get it on back there!" Rosie whispered, nearly side swiping an oncoming car as she tried to watch the action in the rearview mirror. "Sounds like a whole litter of kittens, instead of one hot little pussy!"

The soft, mewling sounds of pleasure did sound like a cat, and as Daisy began thrashing her hips in rhythm with her plunging fingers, the gentle moans became insistent groans. Her thighs were open, giving me a full view of her drenched pussy. I could actually smell the heady, intoxicating fragrance of her sex as she beat relentlessly at her hungry cunt.

She turned her head suddenly and caught my startled gaze. "Eat me!" she cried. "Please, please, I need it so bad!"

I was stunned, unable to move. My cock throbbed and rebelled against the tight confinement of my slacks. At that moment I wanted nothing more than to wrap my lips around the sweet, dripping pussy, but...

"Why are you waiting?" Rosie growled, "Go get her."

I was out of my seat and headed for heaven when Rosie swerved to the right and brought the van to a screeching halt. Daisy watched through narrowed eyes as I sank to my knees beside her and slid her jeans the rest of the way off.

B048

She moaned in ecstasy as I slid two fingers into her cunt, parting the slick, pussylips and dipping my tongue into her warm liquid heat: She was hot, too hot to stand any teasing. When I slid my fingers into her slippery hole, she began humping my face in earnest. My tongue dipped and twirled and diddled the hard, erect little clit, driving her wild.

"Eat her good, Marty," came my one-woman cheering section in the front seat. "Make her cum!" The squishing, slapping sounds from that direction told me she was working her own pussy over as she enjoyed the show Daisy and I were putting on.

My throbbing cock felt like it would burst clear of my jeans as that horny hitchhiker fucked my face in wild abandon. Her pussy tasted musky sweet and delicious and, as the first throes of orgasm rocker her, I sucked hungrily at her straining clit and tried to lap up her gushing love Juices as quickly as the thick stream poured from her. The hot

little bitch came three or four times against my tongue and lips, before she finally pulled away and sighed contentedly. "Thank you," she whispered hoarsely, giving me a lazy smile. "Are you ready to fuck me now?"

I had my zipper down and my cock in my hand before the words were barely out of her mouth. Rosie's low grumble stopped me just shy of my dripping target.

"Oh no, you don't," she growled. "Not yet anyway. If you'll both shift this way slightly please..."

A press of a button, a gentle tug, and the let-down seat became a makeshift bed. Climbing in beside us, Rosie quickly shed her clothes. Both girls pulled impatiently at my shirt and jeans, and there I was, naked as the day I was born, my prick hard and red and hanging stiffly between those two lovely ladies. Both made a dive for my turgid member, and for a moment it was a tug of war between two powerful sets of jaws as first one warm feminine mouth closed over my cock, only to be shoved away and replaced a moment later by the other set of lips. While Rosie sucked and gnawed the head of my dick, Daisy licked and slurped at my swollen balls. Then, as Daisy butterfly fucked the en-

tire length of the shaft, Rosie's tongue slid beneath my balls and along the crevice to rim my asshole. Sensations flowed upward and out ward from my cock like sparks from an electric generator, and I knew that very soon one of those bitches would receive an overflow of power as the circuit overloaded.

Alternating between rapid flicks at Rosie's taut clit and long, deep thrusts into her overflowing honey-pot, I quickly brought her to the brink of explosion, while Daisy rode my rampant cock like a real trooper. The girls reached out to play with each other's fine, firm tits as our three way fuck skyrocketed us toward the ultimate explosion. If Daisy's moans of a few minutes before had sounded like a litter of kittens, she was now like a lioness in heat, her squeals of sheer animal pleasure echoing around the van and floating off into the night.

I felt the warning tightness begin in my balls at 'the same time that Rosie's cunt convulsed against my tongue, her warm pussy cream flowing into my mouth and across my face. Daisy's loud groans turned into a high-pitched roar as her pussy jumped and spasmed around my erupting prick. I let out a roar of my own as the first jet of creamy cum spurted from my pistoning rod and into the walls of her welcoming twat. Had there been any wild animals lurking amongst the bushes along that deserted stretch of highway, our heated squeals and groans probably sent them scurrying for more peaceful ground.

Saying she had nothing better to do since her boyfriend had ditched her, Daisy readily consented to coming along with Rosie and I for the weekend. Once during the next two days I did manage to slip away with my fishing reel and tackle box tucked under my arm. Knee deep in the gentle, lapping waves, I cast the line and got an immediate nibble—not at the lure. Feminine arms slid around my waist from behind, exploring fingers dipping into the waistband of my swim shorts to close over my rapidly thickening cock. So much for the big one that got away.

We sucked and fucked the hours away in every conceivable combination. I especially enjoyed watching Daisy and Rosie, in a 69 position, eat each other's quivering pussies out. Then they fought over my cock again, and I finally blew my load onto both their faces. They were delighted, and quickly slurped the cum from each other's lips and cheeks like starving cannibals. I laughed and called them my little flowers, passion flowers, to be exact.

We were a tired but extremely happy group as we sang bawdy songs, told dirty jokes, and laughed the miles away on the return trip. We were still a couple of miles away from the spot where we'd picked Daisy up when I did a double take. There, beside the highway, in tight jeans and loose sweatshirt...

I looked at Daisy and back at the still-blurry vision on the road. Rosie brought the van to a screeching halt beside the phantom figure. In a kind of daze, I watched the slender girl with the long blonde hair crawl into the back of the van. "Hi, kid," I heard Daisy say brightly. She turned to me with a broad grin. "Meet my sister," she smiled. "Dahlia."

"Oh dear God," I groaned. We were late picking the boys up at Mom's that night.

KELSI

If you got it, flaunt it. If you want it, go get it. That's my motto, and today I'm putting it to the test. I've had the biggest crush on my dance instructor and today was my turn for a one on one lesson with him. I'd been wanting to put my irresistible phat ass on him. Wait'll he finds out that I love it in the ass.

I'M DREAMING OF YOUR COCK IN ME

MOUTHS AND PUSSIES AND COCKS, OH MY!

OPENING DUTIES

The stacks were eerily quiet, raising gooseflesh on my arms as I performed my opening duties. I hated this part of my job, prepping the library to receive its daily influx of students, faculty and staff. A habitual hater of mornings, I had to arrive at 7:30 a.m. – thirty minutes prior to the opening of the doors – in order to turn on the lights, fill the copiers with paper, and set up the cash registers.

During this interval I was the only person in the building. The quiet could be pleasant, sure, but sometimes it was too damned quiet, bordering on downright spooky. Of course I wasn't about to complain. Campus jobs were highly competitive, library gigs among the most coveted of these positions. Most days I just sat at the circulation desk and played catch up with my studies.

That was certainly today's plan, boning up on my French and getting paid to do it. I felt sorry for the students stuck working off campus jobs,

slaving away in fast food and/or retail hell to make ends meet. College, especially this artsy-fartsy private school I had chosen to attend, was hardly cheap.

Now, having just retrieved fresh reams of paper from the supply closet on the third floor, I heard a thunderous boom which made me jerk. My heart revved. The sound was unmistakable, though, a heavy book hitting the floor.

Somebody was in the building!

It wouldn't be the first time that I had encountered a student prior to operating hours, some wise ass who had camped out overnight to study or party. Believe it or not, the library, especially after hours, was a popular spot for student hookups. Fucking in the stacks was a rite of passage, a bona fide tradition dating back to the school's infancy. While making my rounds I had discovered my fair share of condoms and panties, not to mention empty beer cans and twisted cigarette butts. It was easy enough to hide late at night when the library was closing. And getting out of the locked building posed no problem as

some of the restroom windows could be opened from the inside – all it took was a sense of adventure and a slender physique.

Steeling myself for a confrontation, I checked the reading room first. The culprit would surely be in there, sitting at one of the study carrels.

It didn't take me long to find him.

He was sitting there in the corner, peering at a notebook with intense concentration, his pen poised inches above the page. Muted sunshine slanting through dusty mini-blinds provided his illumination as I had yet to turn on the lights.

"Hey," I said, "the library's closed. You're not supposed to be in here."

He expelled a weary sigh, ran a hand through his thick hair. "Yeah, yeah, I know. Guilty as charged. You caught me red handed."

It was Foster from my free verse class. I hated to kick out a fellow poet, but rules were rules. And I had a job to do, a cushy job that I desperately wanted to hold on to.

"I'm sorry, Foster," I replied, "but you'll have to leave."

BLAIR-NTS-00

“You’re kicking me out?”

“I’m afraid so.”

He checked the time on his smart phone. “The library opens in fifteen minutes. What’s the harm in letting me stay here and—”

“Library policy,” I said lamely.

I felt like a total asshole, a part of the repressive establishment which my professors were continually attacking. Since when had I become a stickler for rules and regulations? I was majoring in Underground Literature! I had neon green hair, multiple tattoos, and a pierced brow! I was edgy and avant-garde!

Foster started to collect his things, shaking his head in dismay. I felt terrible, conflicted and torn; until I caught a glimpse of the open page before him—

He had been working on a poem.
But not just any poem.

This was a special piece about yours truly. My name was the title. I couldn’t resist the urge to snatch it up and start reading, so that’s what I did, without the slightest regard for his privacy. It was a short poem. I devoured it in a matter of seconds, all the while ignoring the protests of its author.

“Shit,” Foster said, his voice cracking. “Now I’m really embarrassed.”

I couldn’t believe what I had just read. Foster had a major hard-on for me. His poem said as much in direct, straightforward language. Foster had dispensed with the indecipherable, pretentious bullshit, going straight to the heart of the matter with an unabashedly vulgar poem which made me wet.

“Don’t be,” I said. “This is a great poem.”

“Yeah, right . . .”

“I’m serious. You’re talented.”

“Don’t patronize—”

“I wouldn’t patronize you, Foster. Not on your life. But I would suck your dick.”

I regarded the wall clock. The library would be opening in less than fifteen minutes. No time to waste, I thought.

Foster sat there in disbelief. His face said it all – stupefied, dumfounded, utterly baffled by this sudden turn of events. Clearly, I would have to make the first move.

I set his notebook aside, then knelt before him and unzipped his cargo shorts, freeing his cock. His was a nice cock, long and thick and already

quite hard. I went right to work, running my tongue up the impressive length of his shaft, balls to cap, repeating this several times before devouring him in earnest. He moaned when I took him in my mouth; this excited me greatly and I pumped my head back and forth with slutty vigor.

Sucking Foster’s cock had made my pussy even wetter. I shoved a hand down the front of my skirt and rubbed my slick crevice, delighting in the electric sensations emanating from my hot core. Lips cinched around his prick, I thrust my head repeatedly, faster and faster, until both my neck and jaw hurt.

Finally I came up for air. Frothy saliva oozed down my chin as I regarded him with a naughty smile. “Come on my tits. Can you do that for me?”

“I can,” Foster said, “and I will.”

Still kneeling before him, I pulled my sweater over my head and tossed it aside. I made short work of my lacy black bra, removing it with deft fingers as Foster, now standing before me, stroked his cock with one hand. I kneaded my pierced C-cups, caressing and massaging the creamy white flesh, tweaking conical nipples tingling with excitement. Foster’s hand

moved back and forth, to and fro, sliding up and down his glistening prick until hot cum spackled my tits, wad after creamy wad.

I unlocked the doors with much haste, opening the library with nary a second to spare. Some ten minutes passed before a student, laughing uproariously, approached the circulation desk. "Do you guys have a lost and found?" she asked.

"Of course," I told her.

Imagine my surprise when she handed over my bra!

THE MEAT MARKET

I just got back from Hanky's Nightclub and I gotta write this stuff down before I forget it. It's four in the morning so if my spelling is fucked up, I hope you editor's will fix it so I don't sound too dumb.

Okay, so I'm at Hanky's with a couple guys I know. It's a bit of a meat market and the girls are looking for guys to hook up with as much as the guys are. We're at the bar for a while checking out the place. We spot a few girls in the middle of the dance floor grinding on each other. We watch for a while and lose our fo-

cus when one of the guys says there's a booth that's opened up. We hustle our way over there and make it just in time before other's do. We motion the waitress over to ask those girls to join us. She does and they do.

They introduce themselves and we do too. Three guys and three girls. In my mind I'm checking out which one I want to pair up with. Maybe the blonde. She's got the biggest boobs and I'm a breast man. They squeeze into the booth and we try to make small talk over the noise. Finally frustrated, the blonde, who was sitting on the end, gets up, walks around the table and grabs my hand and pulls me up. Winner!

She pulls me to the back, towards the rest rooms and finds a unmarked door and pulls me in. It's a small, dark room with just a love seat against one wall. Nothing else. I don't know if I'm going to get fucked or get robbed. So I assume I'm going to get fucked and I slip my hand under her dress. She was pretty wet when I reached her panties. But no panties.

I sit on the sofa and pull her over and pulled out my stiffie. I positioned myself between her legs and pulled her down to sit on me. I pulled the top of her dress down to expose

her firm breasts and lifted her dress around her waist. In the dark, I started sucking each of her nipples until they were rock hard. She was bouncing up and down on my cock as I grabbed her butt cheeks and helped her bounce. I was rubbing her clit, too when she said she wanted me to eat her out. Now that's a term I hadn't heard in a while.

She got off me and leaned back on the sofa, I pushed her dress up and went down. I tongue and finger-fucked her. I sucked her labia and teased her clit until she came several times. She pulled my head up and said she wanted to be fucked now. No problemo, I said and slipped it in. We fucked hard for a half hour, I'm guessing. Mish, doggie, cowgirl, reverse cowgirl. She came many times and we just kept banging. I got her off me and sat her up and stood in front of her. She took my cock in her mouth and started sucking hard. She took all 7 inches deep into her throat and I came almost immediately.

She fixed her clothes and headed out first. I followed a minute later and headed back to the table. The guys and girls all asked if I got any. I smiled, sat down and finished my drink.

VALENTINA & SOPHIE

It's always a bubbly good time when Sophie and I get together. Her supple tongue knows the way to all my hot spots. The way we lick and nibble each other's bits, is like a buffet of tasty desserts. Come watch us play in the tub and maybe you can top it off with some of your cream.
